

ABSOLUTE UP-TO-DATE & EFFICIENT

A single operator assists the automatic management of the warehouse

The **ABSOLUTE shipyard (in the North of Italy)** is, with no doubts, one of the brands that have established more quickly in recent years. A site that continues to grow from year to year and that is getting significant sales results.

The agreement and the positive trend of the requests led the Company to invest in a new area of 70.000 m² with the aim to arrive in coming years to build about 130 boats a year in a covered area of 35.000 m² with a staff of 450 people.

As part of the handling and management of all components, to improve the efficiency, ABSOLUTE ordered from Zecchetti an **AUTOMATED VERTICAL WAREHOUSE Mod. UNICO M12** equipped with a double-bay for stuff storage/retrieval.

A single operator is now able to handle 350 m³ (980 sq. feet) of warehouse.
